12th GAI Food & Beverage and Hospitality Exhibition 2027 is exclusively focused on food, beverage & hospitality, the first, largest and only of its kind in Nepal, in recognition of the tremendous growth in the sector. While food and beverage has become big revenue source and profit centers for the hotels, restaurants and "party-palaces" have mushroomed beyond anyone's expectations in the last twenty years. Likewise, take-away food outlets, street food vendors, super-markets and grocery stores have popped up in every neighborhood and markets in large numbers. 12th GAI Food & Beverage and Hospitality 2027 will host more than 250+ exhibitors, and feature 7 interactive live events.

12th GAI Food & Beverage and Hospitality 2027 will attract more than 30,000+ visitors. While the event is primarily a business-to-business event, a small number of consumers are expected to visit the exhibition. Business visitors will be able to check the exhibitor's list and directly pre-book appointments with the exhibitors for the duration of the exhibition. Starting this year, 12th GAI FBH 2027 visitor promotion will be reaching out beyond Nepalese southern borders to Uttar Pradesh and Bihar.
