EVENT OVERVIEW

The Food & Beverage and Hospitality Exhibition (FBH) Varanasi 2026 is focused exclusively on food, beverage & hospitality, the one and only of its kind in Varanasi and Uttar Pradesh in recognition of the tremendous growth in the sector. Varanasi and UP has taken all other destinations in India on the combined number of domestic and foreign tourists.

The Food & Beverage and Hospitality Exhibition (FBH) Varanasi 2026 will hosts about 250 exhibitors, features 7 interactive live events. And of course, numerous sample tasting counters during the Exhibition to involve and engage the industry buyers and visitors.

The Food & Beverage and Hospitality Exhibition (FBH) Varanasi attracts more than 18,000 business visitors and consumers. While the event is primarily a business-to-business event, consumers are expected to visit in great numbers. Business visitors will be able to check the exhibitors' list and directly pre-book appointments with the exhibitors for the duration of the exhibition.

The Food & Beverage and Hospitality Exhibition (FBH) Varanasi clearly defines and demonstrates the power of live marketing. A TV, FM commercial or Social Media cannot do what an exhibition can do. What an exhibition can do, a print or bill-board ad cannot do. The Exhibition is a rare event that gives you far more possibilities than even a door-to-door sales. The Exhibition has always proven to be the trend setter for all food and beverage lifestyle and festivals – Dashain, Tihar, Christmas, New Year, and the wedding season!

WHY SPONSOR FOOD & BEVERAGE AND HOSPITALITY EXHIBITION?

Given the Exhibition environment, interact with your consumers when at a time they are ready to meet you, willing to listen to you and capable of buying your products.
- 2. Branding:** You get a chance to associate with an event that is close to your product and niche consumer. The positive impression will last beyond the 3 days of the Exhibition. Catch the media attention and gain effective exposure in the media due to the strong content of our advertisements.
- 3. Public Relations:** Sponsorship is not looked upon as hard sell like advertising. It creates a positive ethical corporate image as a product that cares for the community. It assures the consumers that the company gives something back to its consumers as a do-gooder.
- 4. Market Research:** The Exhibition will give a chance to get the feel of your consumers.....understand their psyche and what turns them on. A live information feedback that no marketing cook-book or reports will give you. Face-to-face moments with your consumers or competitors will give you insights that no marketing data will give you. A rare chance to sharpen your marketing and sales instincts which tend to be far more effective tool than marketing strategies and schemes.
